SAFETY

Low Center of Gravity Profile
Betts LED Lights
Double Welded Construction

QUALITY

Alcoa Al-Bright Premium Aluminum
Modern 50,000 SF ASME "U" Stamp Facility for On Time Tank Deliveries

SUPPORT

Experienced Local Distributors Who Understand Your Needs and the Importance of Quality Service to Keep Your Fleet Productive

"MacIntyre Services first commissioned Trans-Tech Industries to build a truck tank in the 1980's. We have continued to do so exclusively ever since through Sid's Petroleum in Montpelier, Vermont. We are very proud of our most recent purchase, a new 7,000 gallon self contained delivery trailer designed and built this past winter. Our 20 plus year relationship with Trans-Tech has been professional, timely and of top quality from start to finish every time."

Represented in Vermont by Sid's Petroleum Truck Sales & Service of Montpelier
