SUPPORT

Experienced Local Distributors Who Understand Your Needs and the Importance of Quality Service to Keep Your Fleet Productive

Unit equipped by Bick & Heintz, Inc., Utica, NY

"Since 1913, our business has been built on providing good service and reliable products to our customers. When it came time to upgrade our fleet, I looked for the same qualities our customers expect: service and dependability. Choosing Trans-Tech tanks, which were installed at Bick & Heintz, Inc., has proven to be a perfect fit for our company. It's evident that they pay attention to detail starting at the factory and continuing through their distributors. Trans-Tech builds a safe and durable tank that I am proud to provide our drivers with."
