AMERICA'S LEADER IN TRUCK TANK TECHNOLOGY

ENGINEERING

DOT 406 Compliance Verified by Finite Element Analyses and Full-Scale Tests at the Univ. of Maine Engineering Dept.

On Staff Design Certifying Engineer (M.I.T. Graduate)

"Our Trans-Tech truck tanks continue to exceed our expectations. Having added 17 Trans-Tech truck tanks to our fleet, its easy to see that quality control is alive and well at Trans-Tech. It is the attention to craftsmanship, quality, and customer service that comes with every tank that makes it easy for us to choose Trans-Tech. No wonder more and more companies are choosing Trans-Tech to grow their business."
